CORPORATION IMPACTS THE LIVES OF CHILDREN THROUGH SERVICE

Fluor Employees reach out to Irving to provide for families in need.

- WHAT:** More than 50 Fluor employees and their family members will join hands to build a playground structure, plant flowers and shrubs, wash school vans, paint walls, and organize classrooms at Kim's Stepping Stone Learning Center. The facility is a nonprofit child care center that serves families and children of teen mothers from Irving ISD.
- Child Care Director, Kim Lewis, will give an opening presentation to volunteers along with one or two parents whose children attend Kim's Stepping Stone Learning Center.
- WHEN:** **9:00 a.m. – Noon, Saturday, May 22, 2010**
- WHO**
- 50 Fluor employees and their families
 - Volunteer Center of North Texas
 - Kim's Stepping Stone Learning Center Staff
- WHERE:** **Kim's Stepping Stone Learning Center**
623 E. 2nd Street
Irving, TX 75060
- WHY:** Kim's Stepping Stone Learning Center has been a part of the Irving community for more than 18 years, caring for children between the ages of six-weeks to 12 years-old. Fluor Corporation, based in Irving, seeks to make a difference in their community. An important philanthropic and community engagement category for the corporation is children and youth.
- Partnering with the Volunteer Center of North Texas (VCNT) to impact an Irving-based nonprofit organization is another demonstration of Fluor's commitment to help improve the community. This is Fluor's first project with Kim's Stepping Stone Learning Center.
- This service project is managed and coordinated by VCNT's Hands at Work™ Corporate Employee Program, which optimizes the effectiveness of employee volunteers while ensuring a rewarding volunteer experience. VCNT collaborates with local nonprofit organizations to provide any size corporate employee group the opportunity to volunteer, learn and lead in their communities.
